

Material Safety Data Sheet

according to 93/112/EC

Product : ORFITRANS SOFT
Date of publication : 15-10-04

Reviewed on : 6 May '97
Version : 1

- Handling :
 - Precautionary measures : not required.
 - Protective measures against fire : do not use an open fire to activate the material.
 - Accumulation of static electricity
- Storage :
 - Store in original packaging, away from humidity and direct sun exposure at a temperature of <math><50^{\circ}\text{C}</math> (122°F).
 - Maximum storage period 3 year

8, Exposure controls and personal protection

- Additional designation for arrangements of storage room and handling equipment : void
- Components with limit values that require monitoring at the workplace : void
- Personal protective equipment : use gloves, safetyglasses and breathingprotection during processing
- General protective and hygienic measures : ventilate enough during processing

9, Physical and chemical properties

- Appearance : flat sheet
- Colour : broken white
- Odour : acrylat
- Decomposition temperature : 325°C (617°F)
- Melting point/ traject : 80°C (176°F)- 100°C (212°F)
- Auto ignition temperature: 335 - 365°C (ASTM D1929)
- Flash point : NA(*)
- Relative density : 0,94g/cm³
- Solubility in water : insoluble

10, Stability and reactivity

- Circumstances to be avoided that can cause a reaction with the substance : do not heat above 325°C (617°F) in order to avoid decomposition.
- Substances to be avoided in reaction with substance : void
- Hazardous products of decomposition : can be formed with thermal decomposition :
crotonaldehyde, acetaldehyde, acroleine

11, Toxicological information

- When used and handled according to specifications, the product does not have any harmful effects on health according to our experience and the information provided to us.
- Avoid inhalation of fumes en gases during processing by ventilating

12, Ecological information

- Solubility in water : insoluble
- Bio-degradation: N.A.(*)

13, Disposal instructions

The product must be disposed of in accordance with the local regulations.

The product may be treated as household waste and may be dumped or incinerated in a suitable incinerator.

14, Transport Information

Non-hazardous product.

15, Regulatory information

- Communitary regulations Medical Device Directive effective as from june 1998.
- National regulations : N.A. (*)

16, Other information

Literature : "Orfitrans, Instruction for use ", ref. 31620

Last change :

(*) N.A. = Information not available

The above-mentioned information is based on our present state of knowledge .

However, it shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.

Existing laws and regulations are to be observed on the responsibility of the receiver of our product.
